address change will be completed.

# 体調管理 (出欠席) 機能 Physical Condition Manage (Attendance)

- ① When reporting Attendance  
(Same procedure for change / cancellation after report has been completed)

Tap  the TOP page. (※ 1)  
Or, tap the 「体調管理(Health manage)」 → 「出欠席 (Attendance)」 → Date from the menu.

(※ 1) Report to school before 8 : 00 in the morning.

Tap the "日時 Date", "種別 Report content", "理由Excuses". If there is no applicable, please fill the excuses to the "備考 Note". You can report on dates after the current day but you cannot report on past dates.

When the school confirms, a message such as "確認しました。(Confirmed)" will be displayed in the lower part. After that, it cannot be changed or canceled, so please contact the school directly if necessary.

- ② You can confirm the report results of past attendance in a list

Select "体調管理Physical Condition Management" from the menu. You can change the display of the month with the triangle mark on the left and right. If you select a date in the monthly table, you can check the details screen for that day. If the teacher has confirmed it, you cannot cancel or correct it, but you can look back at the reply from the teacher.

You can check the attendance record registered so far. In addition, you can register / change / cancel the attendance notification after the day in advance. In "状況Status", you can see the confirmation status of the school.

The attendance record that can be confirmed in this list is the information sent by the parents on the digital contact book, and may not match the attendance book managed by the school. Please use it as a transmission history.

# 体調管理 (検温) 機能 Physical Condition Manage ( Body Temperature)

① When reporting the body temperature  
(Same procedure for change / cancellation after report has been completed)

Tap **検温連絡 未** the TOP page. (※ 1)  
Or, tap the 「体調管理(Health manage)」 → 「検温結果(Body Temperature result)」 → Date from the menu.

Select “日時Date” and “体温Body temperature”, and if you have any symptoms, select “様子State” or enter in “Other symptoms”. As a general rule, report every day even no school. Even if you forget to report it, you can report to the past date.

When the school confirms, a message such as “確認しました。(Confirmed)” will be displayed in the lower part. After that, it cannot be changed or canceled, so please contact the school directly if necessary.

(※ 1) Report to school before 8 : 0 0 in the morning.

② You can confirm the report results of past body temperature in a list

Select "体調管理Physical Condition Management" from the menu. You can change the display of the month with the triangle mark on the left and right. If you select a date in the monthly table, you can check the details screen for that day. If the teacher has confirmed it, you cannot cancel or correct it, but you can look back at the reply from the teacher.

You can check the body temperature results registered so far. Dates with specific symptoms are colored red. In "状況Status", you can see the confirmation status of the school.

**!** In the digital contact book, all teachers in the school can check the contents of attendance notification and body temperature notification. Please be careful when contacting sensitive information.
